

Dear Gulf Coast Broadband Customer,

Gulf Coast Broadband is proud to support our local communities and youth. One way we do this is by purchasing projects of our customers' children at the Kleberg-Kenedy County Junior Livestock Show each year during the Auction Sale at the J.K. Northway Exposition Center in Kingsville, Texas. To help us better identify our customers' children; please take a few minutes to fill out this form about any of your children who may be participating in the livestock show. Please only complete for your children, children for whom you have legal guardianship or children who reside with you where service is being provided.

For your convenience, you can complete this form online at www.rivnet.com and email it to us at gcb.ofc@rivnet.com. You may also mail the form to PO Box 997, Riviera, TX 78379; fax to 361-296-3125 or drop off at our business office at 103 S. 8th Street in Riviera.

If you do not have children who have a project in the show, it will not be necessary to complete this form.

We would like to invite and encourage all to attend and support the Kleberg-Kenedy County Junior Livestock Show and Sale for our youth and our communities.
